Position: Fire Alarm & Electrical Apprentice

Location: McKinney, Texas

Schedule: Monday – Friday, 7:00 AM – 4:30 PM

Starting Pay: \$18/hour — with raises based on performance and growth

Includes: Paid training, tools, safety gear, Zion uniform, and career path support

Job Description

Zion Fire Protection is hiring **Apprentices** who are ready to **learn, work hard, and build a real career** in fire protection and electrical systems.

Whether you have experience or are starting from scratch, we'll train and mentor you — step by step — to become a licensed Fire Alarm Technician or Electrician. If you come from a **military background or veteran family**, your discipline and drive will be a huge plus in our team culture.

This is a hands-on opportunity to **get paid while you train** and work on projects that protect lives and property.

✂ Key Responsibilities

- Assist technicians and electricians with installations and inspections
 - Pull wire, mount boxes, install devices, and prep materials
 - Keep job sites clean, organized, and safe
 - Learn basic fire alarm and electrical codes
 - Follow instructions from tech leads and foremen
 - Attend in-house training and licensing prep classes
 - Be open to mentorship and a long-term career path
-

Qualifications

- No experience required (but fire alarm or electrical background is a plus)

3275 N McDonald St McKinney TX 75071

Toll Free: 855.ZIONFIRE (946.6347)

Phone: 469.ZIONFIRE (946.6347)

- Must be **coachable**, dependable, and physically capable of working on job sites
- Clear communication and respectful attitude
- Willing to learn fire alarm, fire pump, and life safety systems
- **Military or veteran family background is a strong plus**
- Must have a valid driver's license and reliable transportation to McKinney
- Legal to work in the U.S. and willing to grow with the company long-term

What We Offer

- Starting at \$18/hr with fast growth potential
- **Company-paid training, study materials, and license support**
- Uniforms, tools, and personal safety gear provided
- Health insurance, paid time off, and benefits
- Career track to become a licensed tech or electrician within 1–2 years
- Coaching, mentoring, and team culture that feels like family
- Local jobs based out of our **McKinney, Texas office**

Your Future at Zion

We don't just hire employees — we build futures. If you're willing to learn, work hard, and stay humble, we'll take care of the rest. Our apprentices become leaders, foremen, and even project managers. This is your chance to enter a skilled trade and never look back.

We proudly support veterans, military families, and hard-working individuals with strong values. If that's you — **you belong at Zion.**
