Position: Journeyman Electrician

 **Location:** McKinney, Texas

 **Schedule:** Monday – Friday, 7:00 AM to 4:30 PM (some overtime and occasional Saturday work)

 **Starting Pay:** \$27.50/hour and up — based on experience, licensing, and leadership skills

 **Includes:** Company vehicle, tools, uniform, fuel card, and paid training

Job Description

Zion Fire Protection is looking for a **licensed Journeyman Electrician** who is ready to do more than just electrical work — someone who wants to **grow, cross-train**, and be part of a company that **invests in its people**.

You'll work on a mix of electrical and fire protection-related installations, including fire alarm, sprinkler controls, fire pumps, and life safety systems. You'll also help **teach helpers and apprentices**, preparing them — and yourself — for leadership.

Key Responsibilities

- Install conduit (EMT/RMC/Flex), power feeds, and low-voltage wiring
- Terminate panels, disconnects, and life safety devices
- Assist with layout, planning, and blueprint interpretation
- Work alongside fire alarm techs and sprinkler crews as needed
- Maintain code compliance (NEC, NFPA 70, OSHA, local AHJs)
- Mentor and support apprentices and helpers on job sites
- Remain coachable, reliable, and open to **learning fire protection systems**
- Contribute to a clean, organized, and safe job site environment

Requirements

- Valid **Texas Journeyman Electrician License**
- 3+ years of commercial electrical experience

- Ability to bend conduit, pull wire, and read plans/schematics
- Familiarity with NFPA 70 (NEC) — NFPA 72 a plus
- Professional attitude, good communication skills, and leadership mindset
- Willingness to **cross-train in fire alarm and fire pump systems**
- Valid driver's license and clean driving record

What We Offer

- Competitive pay with clear raise opportunities
- **Health, dental, and vision insurance**
- Paid holidays, vacation, and sick time
- Company vehicle, tools, uniform, and gas card
- **Company-paid training** to grow into fire alarm, fire pump, or safety roles
- Leadership and foreman development path
- Steady year-round work in McKinney and the greater DFW area
- A growing company culture that values family, integrity, and excellence

Your Future at Zion

At Zion Fire Protection, electricians don't just pull wire — they build careers. We're growing fast, and we want **future leaders** who are hungry to learn and committed to excellence. You'll be cross-trained in fire protection and life safety systems, setting you up for long-term success.

We reward those who teach, lead, and take ownership of their work. Whether your goal is to become a foreman, estimator, or project manager — Zion is the place to make it happen.
